SIMS COLLEGE, MADHURAWADA, organized Certificate Programme on “CORPORATE SOCIAL RESPONSIBILITY” for MCA, MBA, BBA students by the resource person **Mrs. Archana Vinay Kumar**. Corporate social responsibility (CSR) is a management concept that describes how a company contributes to the well-being of communities and society through environmental and social measures. CSR plays a crucial role in how brands are perceived by customers and their target audience. It may also help attract employees and investors who prioritize the CSR goals a company has identified. Totally 36 students were participated in this training program and their completion of the program they were understand the following objectives and learning outcomes.

Objectives of the programme :

- Understand the nature of corporate social responsibility.
- See how corporate social responsibility, like other goals and objectives, can be incorporated using the Balanced Scorecard.
- Understand that corporate social responsibility, like any other goal and objective, helps the firm only when aligned with its strategy, vision, and mission.

Learning outcomes of the programme:

At the end of the course students will be able to learning

1. As a matter of fact, corporate social activities can change a student’s mindset by the various activities that they conduct.
2. CSR activities have developed a global outlook among the students. Irrespective of their native place; they contribute to the CSR activities anywhere.
3. Moreover, by being a part of social activities, the students are also opening doors for more and more global opportunities and benefits.
