

MA English

Course Objectives (COs)

1. **CO1:** To develop in-depth knowledge of various literary genres, including poetry, drama, prose, and fiction.
2. **CO2:** To understand major literary movements, periods, and critical theories in English literature.
3. **CO3:** To analyse and interpret literary texts using different critical approaches and perspectives.
4. **CO4:** To examine the cultural, historical, and social contexts influencing literary works.
5. **CO5:** To enhance critical thinking, analytical ability, and independent interpretation of texts.
6. **CO6:** To develop research skills, including academic writing, referencing, and use of critical sources.
7. **CO7:** To improve communication skills through discussions, presentations, and written assignments.
8. **CO8:** To prepare students for academic research, teaching, and professional careers in literature and related fields.

Program Objectives (POs)

1. **PO1:** To provide comprehensive knowledge of the evolution of English literature from its origin to the postmodern period.
2. **PO2:** To familiarize students with major poets, dramatists, and writers across different literary periods.
3. **PO3:** To develop an appreciation of the beauty, richness, and subtleties of the English language.
4. **PO4:** To enable critical thinking and analytical skills through the study of literary texts and theories.
5. **PO5:** To understand the historical development and interrelationship between English language and literature.
6. **PO6:** To encourage participatory learning through seminars, workshops, and academic interaction.
7. **PO7:** To prepare students for research, higher education, and competitive examinations like UGC-NET.

8. **PO8:** To enhance communication, writing, and interpretative skills for academic and professional purposes.
