

RESEARCH AND DEVELOPMENT CELL CONSTITUTION

Date: 21-11-2025

A Research and Development (R&D) Cell is set up in colleges and universities to encourage research activities among students and teachers. It follows the guidelines of UGC and NEP 2020 to improve the quality of education and innovation.

The R&D Cell usually includes the Principal as Chairman, a Coordinator, and some faculty members. They work together to support research work in the institution.

OBJECTIVES OF RESEARCH AND DEVELOPMENT CELL

- To promote quality research among faculty and students
- To help in getting research funds and projects
- To encourage new ideas, innovation, and development
- To build connections with industries for practical knowledge and collaboration

FUNCTIONS

- Promote research activities in the institution
- Guide faculty and students in research work
- Help in getting research funding and projects
- Organize seminars and workshops
- Encourage publications and patents
- Develop industry collaboration

ROLES AND RESPONSIBILITIES

- Identify new research areas and opportunities for faculty and students
- Motivate faculty to undertake consultancy and funded projects
- Facilitate interdisciplinary (multi-department) research work
- Provide training in research methodology and tools
- Support students in participating in research competitions and projects
- Establish research policies and guidelines in the institution
- Encourage collaboration with national and international institutions
- Assist in organizing research awards and recognition programs
- Promote use of modern technology and laboratories for research
- Ensure ethical practices in research activities.

ORDERS: with reference to the subject cited, the principal, Srinivasa Institute Of Management Studies (SIMS) is pleased to constitute the Research And Development Committee with the following members
